

KINESIS PERSONAL VISION

THROUGH THE LOOKING GLASS

We designed the Kinesis Personal Vision for movement, and in fact it does make heads turn. The splendid mirroring surfaces cast your physical performance into an intimate depth. Watch the transformation happen in front of your own eyes: with a simple touch, the wall opens into an elegant, yet fully functional gym.

TECHNOGYM

The Wellness Company

CHARACTERISTICS

WHY THE KINESIS PERSONAL VISION

Embrace a new vision of well-being with functional movement

A full gym hiding discreetly in plain sight

Enhance your motor capacities in three dimensions

Improve movements you use in your daily life and specific sports

Improve strength, coordination, flexibility, posture control and breathing control

Engage your core muscles constantly, gain balance and stability

Never boring, never intimidating: learn functional movement easily and progressively

FEATURES

Award-winning design with perfectly mirroring surfaces

FullGravity® Technology activate all of the body's kinetic chains tri-dimensionally

Cast aluminium arms can be collapsed after exercise for maximum space saving

Silent cable movement

Soft touch display to select resistance

Magnetic handgrips attach to the metal arms nicely

EXPLORE FUNCTIONAL MOVEMENT WITH KINESIS® VIRTUAL TRAINER

Freedom can be challenging, if you're not sure how to use it. That's why we coupled the Kinesis Personal freedom of movement with a web app that can teach you more than 750 ways to use it effectively. Choose one of the targeted programmes or browse the extensive library and break the routine with new exercises every day.
